8 California, and that all actions complained of herein take place in this district.

9 **FACTUAL ALLEGATIONS**

10 10. In or about March of 2024, Plaintiff went to the Business.

11 11. The Business is a parking lot business establishment, open to the public, and
12 is a place of public accommodation that affects commerce through its operation.
13 Defendants provide parking spaces for customers.

14 12. While attempting to enter the Business during each visit, Plaintiff personally
15 encountered a number of barriers that interfered with his ability to use and enjoy the
16 goods, services, privileges, and accommodations offered at the Business.

17 13. To the extent of Plaintiff's personal knowledge, the barriers at the Business
18 included, but were not limited to, the following:

- 19 a. Defendants failed to comply with the federal and state standards for
20 the parking space designated for persons with disabilities. Defendants
21 failed to provide the parking space identification sign with the
22 International Symbol of Accessibility.
- 23 b. Defendants failed to comply with the federal and state standards for
24 the parking space designated for persons with disabilities. Defendants
25 failed to post required signage such as "Van Accessible," "Minimum
26 Fine \$250" and "Unauthorized Parking."
- 27 c. Defendants failed to comply with the federal and state standards for
28 the parking space designated for persons with disabilities. Defendants

1 failed to provide proper van accessible space designated for the
2 persons with disabilities as there were no “NO PARKING” markings
3 painted on the surface of the access aisle.

4 d. Defendants failed to comply with the federal and state standards for
5 the parking space designated for persons with disabilities. Defendants
6 failed to properly mark the space with the International Symbol of
7 Accessibility, as the image was mirrored.

8 e. Defendants failed to maintain the parking space designated for
9 persons with disabilities to comply with the federal and state
10 standards. Defendants failed to maintain the mark on the space with
11 the International Symbol of Accessibility, resulting in the paint
12 becoming severely deteriorated, hindering visibility.

13 f. Defendants failed to maintain the parking space designated for
14 persons with disabilities to comply with the federal and state
15 standards. Defendants failed to maintain the blue hatched lines and
16 blue borderlines painted on the ground as required, resulting in the
17 markings becoming severely deteriorated, hindering visibility.

18 14. These barriers and conditions denied Plaintiff full and equal access to the
19 Business and caused Plaintiff difficulty and frustration. Plaintiff wishes to return and
20 patronize the Business; however, Plaintiff is deterred from visiting the Business because
21 his knowledge of these violations prevents him from returning until the barriers are
22 removed.

23 15. Based on the violations, Plaintiff alleges, on information and belief, that
24 there are additional barriers to accessibility at the Business after further site inspection.
25 Plaintiff seeks to have all barriers related to his disability remedied. *See Doran v. 7-*
26 *Eleven, Inc.* 524 F.3d 1034 (9th Cir. 2008).

otherwise treated differently than other individuals because of the absence of auxiliary aids and services, unless the entity can demonstrate that taking such steps would fundamentally alter the nature of the good, service, facility, privilege, advantage, or accommodation being offered or would result in an undue burden. 42 U.S.C. § 12182(b)(2)(A)(iii).

- c. A failure to remove architectural barriers, and communication barriers that are structural in nature, in existing facilities, and transportation barriers in existing vehicles and rail passenger cars used by an establishment for transporting individuals (not including barriers that can only be removed through the retrofitting of vehicles or rail passenger cars by the installation of a hydraulic or other lift), where such removal is readily achievable. 42 U.S.C. § 12182(b)(2)(A)(iv).
- d. A failure to make alterations in such a manner that, to the maximum extent feasible, the altered portions of the facility are readily accessible to and usable by individuals with disabilities, including individuals who use wheelchairs or to ensure that, to the maximum extent feasible, the path of travel to the altered area and the bathrooms, telephones, and drinking fountains serving the altered area, are readily accessible to and usable by individuals with disabilities where such alterations to the path or travel or the bathrooms, telephones, and drinking fountains serving the altered area are not disproportionate to the overall alterations in terms of cost and scope. 42 U.S.C. § 12183(a)(2).

21. Where parking spaces are provided, accessible parking spaces shall be provided. 1991 ADA Standards § 4.1.2(5); 2010 ADA Standards § 208. One in every eight accessible spaces, but not less than one, shall be served by an access aisle 96 in (2440 mm) wide minimum and shall be designated “van accessible.” 1991 ADA

Standards § 4.1.2(5)(b). For every six or fraction of six parking spaces, at least one shall be a van accessible parking space. 2010 ADA Standards § 208.2.4.

22. Under the ADA, the method and color of marking are to be addressed by State or local laws or regulations. See 36 C.F.R., Part 1191. Under the California Building Code (“CBC”), the parking space identification signs shall include the International Symbol of Accessibility. Parking identification signs shall be reflectorized with a minimum area of 70 square inches. Additional language or an additional sign below the International Symbol of Accessibility shall state “Minimum Fine \$250.” A parking space identification sign shall be permanently posted immediately adjacent and visible from each parking space, shall be located with its centerline a maximum of 12 inches from the centerline of the parking space and may be posted on a wall at the interior end of the parking space. See CBC § 11B-502.6, et seq.

23. Moreover, an additional sign shall be posted either in a conspicuous place at each entrance to an off-street parking facility or immediately adjacent to on-site accessible parking and visible from each parking space. The additional sign shall not be less than 17 inches wide by 22 inches high. The additional sign shall clearly state in letters with a minimum height of 1 inch the following: “Unauthorized vehicles parked in designated accessible spaces not displaying distinguishing placards or special license plates issued for persons with disabilities will be towed away at the owner’s expense...” See CBC § 11B-502.8, et seq.

24. Here, Defendants failed to provide the parking space identification sign with the International Symbol of Accessibility. In addition, Defendants failed to provide the signs stating, “Minimum Fine \$250” and “Van Accessible.” Moreover, Defendants failed to provide the additional sign with the specific language stating “Unauthorized vehicles parked in designated accessible spaces not displaying distinguishing placards or special license plates issued for persons with disabilities will be towed away at the owner’s expense...”

//

1 25. For the parking spaces, access aisles shall be marked with a blue painted
2 borderline around their perimeter. The area within the blue borderlines shall be marked
3 with hatched lines a maximum of 36 inches (914 mm) on center in a color contrasting
4 with that of the aisle surface, preferably blue or white. The words "NO PARKING" shall
5 be painted on the surface within each access aisle in white letters a minimum of 12 inches
6 (305 mm) in height and located to be visible from the adjacent vehicular way. CBC §
7 11B-502.3.3.

8 26. Here, Defendants failed to provide a proper access aisle as there were no
9 "NO PARKING" markings painted on the parking surface. Additionally, the blue
10 hatched lines and blue borderlines painted on the parking surface were poorly maintained
11 resulting in the markings becoming severely deteriorated, hindering visibility.

12 27. The surface of each accessible car and van space shall have surface
13 identification complying with either of the following options: The outline of a profile
14 view of a wheelchair with occupant in white on a blue background a minimum 36" wide
15 by 36" high (914 mm x 914 mm). The centerline of the profile view shall be a maximum
16 of 6 inches (152 mm) from the centerline of the parking space, its sides parallel to the
17 length of the parking space and its lower side or corner aligned with the end of the
18 parking space length or by outlining or painting the parking space in blue and outlining
19 on the ground in white or a suitable contrasting color a profile view of a wheel chair with
20 occupant. See CBC § 11B-502.6.4, et seq.

21 28. Here, Defendants failed to maintain the International Symbol of
22 Accessibility on the surface as required as the symbol was poorly maintained, resulting in
23 the markings becoming severely deteriorated, hindering visibility. Additionally, the
24 symbol was a mirrored version of the one required by the Standards.

25 29. A public accommodation shall maintain in operable working condition those
26 features of facilities and equipment that are required to be readily accessible to and usable
27 by persons with disabilities by the Act or this part. 28 C.F.R. 35.211(a).

36. The actions and omissions of Defendants alleged herein constitute a denial of full and equal accommodation, advantages, facilities, privileges, or services by physically disabled persons within the meaning of California Civil Code §§ 51 and 52. Defendants have discriminated against Plaintiff in violation of California Civil Code §§ 51 and 52.

37. The violations of the Unruh Civil Rights Act caused Plaintiff to experience difficulty, discomfort, or embarrassment. The Defendants are also liable for statutory damages as specified in California Civil Code §55.56(a)-(c).

THIRD CAUSE OF ACTION

38. Plaintiff incorporates by reference each of the allegations in all prior paragraphs in this complaint.

39. California Civil Code § 54.1(a) states, “Individuals with disabilities shall be entitled to full and equal access, as other members of the general public, to accommodations, advantages, facilities, medical facilities, including hospitals, clinics, and physicians’ offices, and privileges of all common carriers, airplanes, motor vehicles, railroad trains, motorbuses, streetcars, boats, or any other public conveyances or modes of transportation (whether private, public, franchised, licensed, contracted, or otherwise provided), telephone facilities, adoption agencies, private schools, hotels, loading places, places of public accommodations, amusement, or resort, and other places in which the general public is invited, subject only to the conditions and limitations established by law, or state or federal regulation, and applicable alike to all persons.

40. California Civil Code § 54.3(a) states, “Any person or persons, firm or corporation who denies or interferes with admittance to or enjoyment of public facilities as specified in Sections 54 and 54.1 or otherwise interferes with the rights of an individual with a disability under Sections 54, 54.1 and 54.2 is liable for each offense for the actual damages, and any amount as may be determined by a jury, or a court sitting without a jury, up to a maximum of three times the amount of actual damages but in no

1 case less than one thousand dollars (\$1,000) and any attorney's fees that may be
 2 determined by the court in addition thereto, suffered by any person denied the rights
 3 provided in Section 54, 54.1, and 54.2.

4 41. California Civil Code § 54(d) specifies, "a violation of the right of an
 5 individual under Americans with Disabilities Act of 1990 (Public Law 101-336) also
 6 constitute a violation of this section, and nothing in this section shall be construed to limit
 7 the access of any person in violation of that act.

8 42. The actions and omissions of Defendants alleged herein constitute a denial
 9 of full and equal accommodation, advantages, and facilities by physically disabled
 10 persons within the meaning of California Civil Code § 54. Defendants have
 11 discriminated against Plaintiff in violation of California Civil Code § 54.

12 43. The violations of the California Disabled Persons Act caused Plaintiff to
 13 experience difficulty, discomfort, and embarrassment. The Defendants are also liable for
 14 statutory damages as specified in California Civil Code §55.56(a)-(c).

5 (or use), services, facilities, privileges, and accommodations offered by any person who
6 owns, operates, or leases a place of public accommodation. 42 U.S.C. § 12182(a).
7 Further, each and every violation of the ADA also constitutes a separate and distinct
8 violation of California Civil Code §§ 54(c) and 54.1(d), thus independently justifying an
9 award of damages and injunctive relief pursuant to California law, including but not
10 limited to Civil Code § 54.3 and Business and Professions Code § 17200, et seq.
